OFFICE OF THE SECRETARY
BOARD ON GEOGRAPHICAL NAMES
WASHINGTON 25, D. C.

Lt. Col. George H. Kountz,
Joint Intelligence Study Publishing Board,
La Salle Building, 1034 Connecticut Avenue, NW,
Washington 6, D. C.

My dear Colonel Kountz:

This Board at present is planning its work program for the year 1944-45. We are proceeding on the assumption that the Janis Board will require the name-checking and gazetteer service for future studies which the Board has provided in the past. We are making our plans on the basis of completing the checking of one study per month. The studies appear to be increasing in size in areas of non-Roman alphabets, which means that additional personnel will have to be added to meet the dead-line dates.

We would appreciate having from the Janis Board a statement in general terms of what may be expected during the coming year in regard to the above.

Sincerely yours,

Gordon E. Reckord
